We know from experience that the loss of a loved one is always a difficult time and our main aim at Charnwood Lodge is to provide the "Personal" touch, creating a personalised service to reduce the stress of that day, with the least amount of worry.

We have ten years experience with memorial and funeral teas and with us being a "family run" business we understand how important these events are. We have a very high and constant level of service at Charnwood Lodge and always ensure that we give a sympathetic and efficient service during this difficult time.

We have three buffet menu selections and also offer an additional choices menu. Our buffet menus have been specially designed to ensure that we have a traditional and modern range of food. The tea and coffee is served by a member of staff and the bar is always open for those who wish for something a little stronger. A drinks reception i.e. Sherry or Mulled Wine in the winter months is available should you require it.

We would be happy to meet with you here at the Lodge to discuss your individual requirements and for you to view the beautiful and ideal setting for loved ones wishing to celebrate the life of a dear departed loved one.
